Residents demand permanent CO

MUL, Aug 29

RESIDENTS of the town are demanding full-time Chief Officer in Mul Municipal Council as developmental work has been hit.

The charge of municipal council is given to Manisha Wajade, CO of Saoli.

The Council had witnessed cold war between the Civic Chief and former Chief Officer following which the charge was handed over to tehsildar or naib tehsildar every now and then.

The town's development had picked up under CO Vijay Kumar Sarnaik. Later, Siddharth Meshram replaced Sarnaik but the development continued. But after the transfer of Meshram, the charge has been given to Wajade who is juggling between Mul and Saoli municipal councils.

Following the lack of full-time chief officer at Mul, local people have alleged that many works are pending and therefore they have demanded a full-time Chief Officer.
